## INFORMATION ON ACADEMY OF SCIENCES BELORUSSIAN SSR

## Council for Coordination of Scientific Activity in the Republic

This council has recently been set up within the structure of the academy. It has 14 members, and is under the chairmanship of V. F. Kuprevich, president of the academy. The task of the council is the coordination of scientific research work carried out by republic scientific research and higher educational institutions in the fields of social, biological, agricultural, physicomathematical, and technical sciences.

The following reports were given at the first session of the council:

"Information on the Work and Tasks of the Council for the Coordination of Scientific Activity," by V. F. Kuprevich, Active Member of the academy.

"Basic Observations on Scientific Research Plans of Higher Educational Institutions of the Belorussian SSR," by N. F. Yermolenko, Active Member of the

"The Development of the Productive Forces of the Pripyatskiy Woodlands," by I. S. Lupinovich, vice-president and Active Member of the academy.

"Coordination of Scientific Work in the Belorussian SSR on the Study of Sapropels," by F. I. Bel'kevich, Corresponding Member of the academy.
